

Over the past several months, due to the COVID-19 pandemic, we have been praying and seeking wisdom on the correct decision to make concerning the upcoming 2020-2021 BBP school year. Due to the uncertainty of how the government of Argentina will continue to handle the pandemic and the reopening of international flights, it is with great sorrow that I must inform you that we have come to the decision that we must postpone the 2020-2021 BBP school year with the plans to start in September 2021 if the Lord permits.

We were looking forward to meeting each of our new students this year, but are trusting God in His sovereign plan for each of us.

As this year moves forward, we are already feeling the great absence of our student body. Even though they are not with us, we will be focusing this year on pouring into our current students, who are finishing via online classes, and future students with online meetings and chapels as well as email. We will also be preparing the campus and our program so that the 2021-22 school year will be an enhanced experience for all the students that the Lord leads to attend.

Thank you so much for your support and understanding during this time. Please contact us with any questions or concerns that you may have, and we will be happy to answer them and help you in any way that we can.

God Bless You,

David Küenzi
Bilingual Bible Program
Director
